

Louisiana's 2017 Coastal Master Plan Modeling Update

March 19, 2015

1- 4 pm

Galvez Building – Oliver Pollock Room

602 North 5th Street

Baton Rouge, LA

Join us for presentations on:

- + Louisiana's 2017 Coastal Master Plan Modeling Strategy
- + Landscape and Ecosystem Modeling
- + Storm Surge and Risk Assessment Modeling

Fellow researchers, academics, and other members of the technical community are invited to join us to learn more about the suite of modeling tools that is being developed to support the 2017 Coastal Master Plan. This is the first in a series of technical updates on different aspects of the Coastal Master Plan development. Please note that this event will focus solely on the modeling effort.

Note: Attendees should park in the Galvez Parking Garage on the corner of 5th Street and North Street and bring the parking garage ticket to the meeting for validation.
