A. **Ten percent (10%) of the total evaluation points on this RSIQ shall be reserved for proposers who are themselves a certified Hudson Initiative small entrepreneurship or who will engage the participation of one or more certified Hudson Initiative small entrepreneurships as subcontractors. A subcontractor of a subcontractor will not be considered for this evaluation criteria.**

A. **Yes.**

5. **Q.** The sample Contract for Professional Services (provided as Enclosure 3) includes Attachment E, CDBG Compliance Provisions for Professional Services Contracts. CDBG work is not specifically mentioned in the Scope of Services as it has been in the past. Will these provisions be part of this contract?
A. **Yes. Attachment E, CDBG Compliance Provisions will be included in the Contract for Professional Services. Projects funded by CDBG are unknown at this time. It is a federal requirement to include the language included in Attachment E in any contracts that use CDBG funds; therefore, it is included in the sample contract as a proactive measure. Specific requirements related to task orders with CDBG funding will be included in the scope of services for the particular task.**
