**A.** **Ten percent (10%) of the total evaluation points on this RSIQ shall be reserved for proposers who are themselves a certified Hudson Initiative small entrepreneurship or who will engage the participation of one or more certified Hudson Initiative small entrepreneurships as subcontractors. A subcontractor of a subcontractor will not be considered for this evaluation criteria.**

**A.** **Yes.**
  
5. **Q.** Could you please confirm whether or not our Engineering firm can submit as a prime on your latest Request for Qualifications since our contract will end prior to the start of the new one in September 2018?  
**- Company name has been redacted by CPRA**  
**A.** **A firm holding a current Professional Services contract with the agency may submit on any of the advertised RSIQs, however, a firm may hold only one active Professional Services contract with the agency for contracts with similar scope items. In this instance, the firm’s existing contract will end prior to the issuance of a new contract.**
