ADDENDUM I

TO: ALL POTENTIAL PROPOSERS
RE: RFP #: 3000013156, Mid-Basin Sediment Diversion Program (LA-0276, BA-0153, and BA-0030) Program/Project Management Support Services

PROPOSAL DUE DATE: AUGUST 8, 2019 @ 3:00PM

This addendum shall be considered part of the RFP. The revisions and additions in this addendum supersede the requirements in the advertised RFP.

I. QUESTIONS AND RESPONSES

1. **Q.** The RFP makes reference to the Proposer's embedded staff working from a designated CPRA co-located office. Can you confirm that if CPRA's main office is not used that CPRA will provide the alternative office and it would be located in Baton Rouge, LA?
 - A.** **CPRA's Engineering & Design Contractors for Mid-Barataria and Mid-Breton are responsible for providing co-located offices for the Mid-Basin Sediment Diversion staff. The co-location offices will be located in Baton Rouge.**

2. **Q.** For Volume II Financial Information, is it acceptable to provide 3 years of Item 8 (Financial Statements and Supplemental Data) from our SEC 10-K Annual report in lieu of the entire SEC 10-K Annual report?
 - A.** **Yes, CPRA will accept 3 years of Item 8 "Financial Statements and Supplementary Data" from your SEC 10-K Annual Reports in lieu of the entire SEC 10-K Annual Report, provided that it contains the financial statement (preferably audited or reviewed by a CPA).**
