

# Louisiana's 2017 Coastal Master Plan Technical Update #3- PLANNING TOOL WEBINAR

December 10, 2015  
2:00 pm - 3:30 pm CST

Join us for presentations on:

- + 2017 Coastal Master Plan Decision Making Framework
- + Overview of the Planning Tool
  - + Decision Drivers, Metrics, & Constraints
  - + Alternative Formulation
- + Q&A will follow each presentation

Fellow researchers, academics, and other members of the technical community are invited to join us to learn more about the Planning Tool that has been developed to support the 2017 Coastal Master Plan. This webinar is the third in a series of technical updates on different aspects of 2017 Coastal Master Plan development. This event will focus solely on the decision making framework and the Planning Tool.
