1.8.7 Veteran and Hudson Initiative Programs Participation

The State of Louisiana Veteran and Hudson Initiatives are designed to provide additional opportunities for Louisiana-based small entrepreneurship (sometimes referred to as LaVet's and SE's respectively) to participate in contracting and procurement with the State. A certified Veteran-Owned and Service-Connected Disabled Veteran-Owned small entrepreneurship (LaVet) and a Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) small entrepreneurship are businesses that have been certified by the Louisiana Department of Economic Development. All eligible vendors are encouraged to become certified. Qualification requirements and online certification are available at: https://smallbiz.louisianaeconomicdevelopment.com.

If a Proposer is not a certified small entrepreneurship as described herein, but plans to use certified small entrepreneurship(s), Proposer shall include in their proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the dollar value of each subcontract.

During the term of the contract and at expiration, the Contractor will also be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor or distributor participation and the dollar amount of each.

In RFP’s requiring the compliance of a good faith subcontracting plan, the State may require Proposers to submit information on their business relationships and arrangements with certified LaVet or Hudson Initiative subcontractors at the time of proposal review. Agreements between a Proposer and a certified LaVet or Hudson Initiative subcontractor in which the certified LaVet or Hudson Initiative subcontractor promises not to provide subcontracting quotations to other Proposers shall be prohibited.

If performing its evaluation of proposals, the State reserves the right to require a non-certified Proposer to provide documentation and information supporting a good faith subcontracting plan. Such proof may include contracts between Proposer and certified Veteran Initiative and/or Hudson Initiative subcontractor(s).

If a contract is awarded to a Proposer who proposed a good faith subcontracting plan, the using agency, the Louisiana Department of Economic Development (LED), or the Office of State Procurement (OSP) may audit Contractor to determine whether Contractor has complied in good faith with its subcontracting plan. The Contractor must be able to provide supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the using agency, LED, or the OSP Director that the Contractor did not in fact perform in good faith its subcontracting plan, the contract award or the existing contract may be terminated.

A current list of certified Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship may be obtained from the Louisiana Economic Development Certification System at: [https://smallbiz.louisianaeconomicdevelopment.com](https://smallbiz.louisianaeconomicdevelopment.com)

1.8.8 Cost Proposal

The Proposer shall provide an hourly rate (numerical value) for each of the staff classifications listed in the “Required Rate Schedule” in Attachment II. The Prime and Subcontractor will adhere to the “Required Rate Schedule” for the full term of the contract. Proposers are to submit only one “Required Rate Schedule”. The rate shall be inclusive of all costs associated with labor, overhead, administrative costs, software, account management, and any other costs associated with the provision of services, including, but not limited to, standard equipment, computers, field sampling supplies, office supplies, copies, cameras, personal protective equipment, and materials, as well as be inclusive of lodging, travel and per diem.

Proposers shall not provide additional personnel classifications beyond those listed in the “Required Rate Schedule.” Expenses, including but not limited to, third party charges, equipment rentals, material purchases, lab services, etc., will be negotiated for each task as appropriate to complete the assigned work and will be reimbursed at cost. Such expenses will be reimbursed at cost, only with sufficient documentation supporting the charges, and approval must be granted in writing by the Contract Monitor or his/her designee prior to the Contractor incurring these costs. Compensation to the Contractor for services rendered in connection with each Task Order shall be based on negotiated work-hours using the negotiated rate schedules described in Section 1.29 for the actual work performed on the Task Order.

1.8.9 Certification Statement

The Proposer must submit the signed Certification Statement, Attachment I. Proposals that do not contain the signed Certification Statement will be disqualified.

For each subcontractor, the Proposer should include letters of agreement to undertake their portion of the proposed work.

1.8.12 **Insurance**  
The Proposal should include a certificate of insurance as proof that the Proposer has in effect limits of insurance required by Section 1.32 Insurance Requirements for Contractors. If selected as a Contractor, the Proposer shall provide certificates of insurance as proof of coverage at the time of contract negotiation.

1.9 **Volume II – Financial Information**  
Proposers shall include one separate Volume II containing Financial Information as described below.

Demonstration of Financial Capability is required for Acceptance of this Proposal. Financial information is used for determination of responsibility (See Section 1.23), and not as evaluation criteria. In Volume II, proposals shall include evidence demonstrating the Proposer’s financial capability to carry out this project. Evidence shall include either #1 or #2 below:

1. Financial Statements (preferably audited or reviewed by an independent CPA) for the past three (3) years.

A Proposer may withdraw a proposal that has been submitted at any time up to the date and time the proposal is due. To withdraw a proposal, a written request signed by the authorized representative of the Proposer must be submitted to the RFP coordinator identified in the RFP.

1.18 Waiver of Administrative Informalities
The State shall reserve the right, at its sole discretion, to waive minor administrative informalities contained in any proposal.

1.19 Proposal Rejection/RFP Cancellation
Issuance of this RFP in no way shall constitute a commitment by the State to award a contract. The State shall reserve the right to accept or reject, in whole or part, all proposals submitted and/or cancel this RFP if it is determined to be in the State’s best interest.

1.20 Ownership of Proposal
All materials submitted in response to this RFP shall become the property of the State. Selection or rejection of a proposal shall not affect this right.
1.21 Cost of Offer Preparation
The State shall not be liable for any costs incurred by Proposers prior to issuance of or entering into a contract. Costs associated with developing the proposal, preparing for oral presentations, and any other expenses incurred by the Proposer in responding to this RFP shall be entirely the responsibility of the Proposer and shall not be reimbursed in any manner by the State.

1.22 Taxes
Contractor shall be responsible for payment of all applicable taxes from the funds to be received under contract awarded from this RFP.

In accordance with R.S. 39:1624(A)(10), the Louisiana Department of Revenue must determine that the prospective contractor is current in the filing of all applicable tax returns and reports and in payment of all taxes, interest, penalties, and fees owed to the state and collected by the Department of Revenue prior to the approval of the contract by the Office of State Procurement. The prospective contractor shall attest to its current and/or prospective compliance by signing the Certification Statement, Attachment I, submitted with its proposal, and also agrees to provide its seven-digit LDR Account Number to the contracting agency so that the prospective contractor’s tax payment compliance status may be verified. The prospective contractor further acknowledges understanding that issuance of a tax clearance certificate by the Louisiana Department of Revenue is a necessary precondition to the approval and effectiveness of the contract by the Office of State Procurement. The contracting agency reserves the right to withdraw its consent to the contract without penalty and proceed with alternate arrangements should the vendor fail to resolve any identified apparent outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) days of such notification.

1.23 Determination of Responsibility
Determination of the Proposer’s responsibility relating to this RFP shall be made according to the standards set forth in LAC 34:2536. The State must find that the selected Proposer:
- Has adequate financial resources for performance, or has the ability to obtain such resources as required during performance;
- Has the necessary experience, organization, technical qualifications, skills, and facilities, or has the ability to obtain them;
- Is able to comply with the proposed or required time of delivery or performance schedule;
- Has a satisfactory record of integrity, judgment, and performance; and
- Is otherwise qualified and eligible to receive an award under applicable laws and regulations.

Proposers should ensure that their proposals contain sufficient information for the State to make its determination by presenting acceptable evidence of the above to perform the contracted services.
1.24 Use of Subcontractors
The State shall have a single prime Contractor as the result of any contract negotiation, and that prime Contractor shall be responsible for all deliverables specified in the RFP and proposal. This general requirement notwithstanding, Proposers may enter into subcontractor arrangements, however, shall acknowledge in their proposals total responsibility for the entire contract.

If the Proposer intends to subcontract for portions of the work, the Proposer shall identify any subcontractor relationships and include specific designations of the tasks to be performed by the subcontractor. Information required of the Proposer under the terms of this RFP shall also be required for each subcontractor. The prime Contractor shall be the single point of contact for all subcontract work.

Unless provided for in the contract with the State, the prime Contractor shall not contract with any other party for any of the services herein contracted without the express prior written approval of the State.

1.25 Written or Oral Discussions/Presentations
The State, at its sole discretion, may require all Proposers reasonably susceptible of being selected for the award to provide an Oral Presentation of how they propose to meet CPRA’s objectives. If Oral Presentations are requested by CPRA, detailed information and requirements and evaluation criteria for presentations will be provided to the contact person for each of the short-listed Proposers. The CPRA reserves the right to adjust the original scores based upon information received in the presentation, using the original evaluation criteria. Cost score remains the same. Commitments made by the Proposer at the oral presentation, if any, will be considered binding. Upon conclusion of Oral Presentations, a recommendation of the selected firm will be sent to the CPRA Executive Director. Contract award and execution is contingent upon the selected Proposer and CPRA reaching an agreeable contract. The selected Proposer will be posted on the CPRA web page at http://coastal.la.gov/resources/rfps-rsiqs-contracts/contracts-and-grants/.

1.26 Acceptance of Proposal Content
All proposals will be reviewed to determine compliance with administrative and mandatory requirements as specified in the RFP. Proposals that are not in compliance will be rejected from further consideration.

1.27 Evaluation and Selection
The evaluation of proposals will be accomplished by a Proposal Review Committee to be designated by the CPRA, which will determine the proposal(s) most advantageous to the CPRA, taking into consideration price and the other evaluation factors set forth in the RFP. The Proposal Review Committee may consult subject matter expert(s) to serve in an advisory capacity regarding any proposer or proposal. Such input may include, but not be limited to, analysis of Proposer financial statements, review of technical requirements, or preparation of cost score data.
1.28 Best and Final Offers (BAFO)
The State reserves the right to conduct a BAFO with one or more Proposers identified by the evaluation committee to be reasonably susceptible of being selected for an award. If conducted, the Proposers selected will receive written notification of their selection, a list of specific items to address in the BAFO, and instructions for submittal. The BAFO negotiation may be used to assist the State in clarifying the scope of work or to obtain the most cost effective pricing available.

The written invitation to participate in BAFO will not obligate the State to a commitment to enter into a contract.

1.29 Contract Award, Negotiation and Execution
The State reserves the right to enter into a contract based on the initial offers received without further discussion of the proposals submitted. The State reserves the right to contract for all or a partial list of services offered in the proposals.

The RFP, including any addenda added, and the selected proposal shall become part of the contract initiated by the State.

The selected Proposer(s) shall be expected to enter into a contract that is substantially the same as the Sample Contract, Attachment III. A Proposer shall not submit its own standard contract terms and conditions as a response to this RFP. The Proposer should submit in its proposal any exceptions or contract deviations that its firm wishes to negotiate. Negotiations may coincide with the announcement of the selected Proposer(s).

The State reserves the right to negotiate a reduction to the Required Rate Schedule hourly rates (Attachment II) with any Proposer(s) selected by the Proposal Review Committee for contract award. The Proposer(s) will receive written notification of the State’s intent to negotiate submitted rates. The final negotiated hourly rates on the Proposer’s Required Rate Schedule will be considered the maximum amount allowed.

During contract negotiation, the State will require a rate schedule from the Proposer for each subcontractor for each staff classification in Attachment II as applicable to the subcontractor. The Prime and subcontractor’s negotiated rate schedules will be used in negotiation of task orders and will remain in effect for the duration of the contract.

Since the final negotiated rates on the Proposer’s rate schedule are the maximum allowed, the subcontractors negotiated rates cannot be higher than the Proposer’s negotiated rates.

If the contract negotiation period exceeds 30 business days, or if the selected Proposer fails to sign the final contract within 30 business days of delivery, the State may elect to cancel the award and award the contract to the next-highest-ranked Proposer.

1.30 Notice of Intent to Award
The Proposal Review Committee shall compile the scores and make a recommendation to the head of the agency on the basis of the responsive and responsible Proposer(s) with the highest score(s).
The State reserves the right to make multiple awards. If multiple contracts are awarded, CPRA reserves the right to choose among those contractors that are best suited to perform each specific task order. At no time will the task orders exceed the maximum contract amount.

The State will notify the successful Proposer(s) and proceed to negotiate terms for final contract(s). Unsuccessful Proposers will be notified in writing accordingly.

The proposals received (except for that information appropriately designated as confidential in accordance with R.S. 44.1 et seq), selection memorandum, list of criteria used with the weight assigned each criteria, scores of each proposal considered along with a summary of scores, and a narrative justifying selection shall be made available, upon request, to all interested parties after the “Notice of Intent to Award” letter has been issued.

Any person aggrieved by the proposed award has the right to submit a protest in writing to the Chief Procurement Officer within fourteen (14) calendar days after the agency issues a Notice of Intent to award a contract.

The award of a contract shall be subject to the approval of the Division of Administration, Office of State Procurement.

1.31 Right to Prohibit Award
In accordance with the provisions of R.S. 39:2192, any public entity shall be authorized to reject a proposal from, or not award a contract to, a business in which any individual with an ownership interest of five percent or more, has been convicted of, or has entered a plea of guilty or nolo contendere to any state felony or equivalent federal felony crime committed in the solicitation or execution of a contract or RFP awarded under the laws governing public contracts under the provisions of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, and all contracts under Title 39, Chapter 17 of the Louisiana Procurement Code, including contracts for professional, personal, consulting, and social services.

The Contractor shall not allow any subcontractor to commence work on his subcontract until all similar insurance required for the subcontractor has been obtained and approved. If so requested, the Contractor shall also submit copies of insurance policies for inspection and approval of the State of Louisiana before work is commenced. Said policies shall not hereafter be canceled, permitted to expire, or be changed without thirty (30) days' notice in advance to the State of Louisiana and consented to by the State of Louisiana in writing and the policies shall so provide.

Such insurance shall name the State as additional insured for claims arising from or as the result of the operations of the Contractor or his subcontractors. In the absence of specific regulations/provisions, the amount of coverage shall be as follows: Commercial General Liability Insurance, including bodily injury, property damage and contractual liability, with combined single limits of no less than $1,000,000.

The Certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. Upon failure of the Contractor to furnish, deliver and maintain required insurance, the contract, at the election of the Agency, may be suspended, discontinued or terminated. The State shall determine whether a delay or failure results from an Act of God or force majeure based on its review of all facts and circumstances. Payments are predicated upon successful completion of the described tasks and deliverables as provided in the issued Task Order. Payments will be made to the Contractor after written acceptance by the State of the task and approval of an invoice. Payment will be made only on approval of the Contract Monitor or his/her designee.

During the execution of tasks contained in the Scope of Services, the Contractor shall submit monthly invoices for actual costs incurred in accordance with the final negotiated rate schedule. If within thirty (30) calendar days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) calendar days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time agreed upon in the contract may constitute default and may cause cancellation of the contract.

Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of the contract provided that the Contractor shall give the State written notice specifying the State agency’s failure and a reasonable opportunity for the State to cure the defect.

1.35.2 Termination of the Contract for Convenience
The State may terminate the Contract at any time without penalty by giving thirty (30) calendar days’ written notice to the Contractor of such termination or negotiating with the Contractor an effective date. Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

1.35.3 Termination for Non-Appropriation of Funds
The continuation of the contract shall be contingent upon the appropriation of funds by the legislature to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act of Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds have not been appropriated.
1.36 Assignment
No Contractor shall assign any interest in the contract by assignment, transfer, or novation, without prior written consent of the State. This provision shall not be construed to prohibit the Contractor from assigning to a bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the State.

1.37 Right to Audit
The State Legislative Auditor, internal auditors of the Division of Administration, agency auditors, and if applicable, federal auditors shall be entitled to audit the books and records of a contractor or any subcontractor under any negotiated contract or subcontractor to the extent that such books and records relate to the performance of such contract or subcontract. Such books and records shall be maintained by the contractor for a period of five (5) years from the date of final payment under the prime contract and by the subcontractor for a period of five (5) years from the date of final payment under the subcontract unless a longer period of time is required in accordance with other applicable state or federal law.

Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of the contract.

1.39 Record Ownership
All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by the Contractor in connection with the performance of the services contracted for herein shall become the property of the State and shall, upon request, be returned by the Contractor to the State, at the Contractor’s expense, at termination or expiration of the contract.

1.40 Entire Agreement/ Order of Precedence
This RFP, any addenda, the awarded contract, and the proposal submitted by the Contractor in response to the State’s RFP, including any exhibits specifically incorporated herein by reference, shall constitute the entire agreement between the parties with respect to the subject matter.
In the event of any inconsistent or incompatible provisions, the signed agreement (excluding the RFP and the Contractor’s proposal) shall take precedence, followed by the provisions of the RFP, and then by the terms of the Contractor’s proposal.

1.41 Contract Modifications
No amendment or variation of the terms of the contract shall be valid unless made in writing, signed by the parties and approved as required by law. No oral understanding or agreement not incorporated in the contract shall be binding on any of the parties.

1.42 Substitution of Personnel
The Contractor's personnel assigned to the Contract shall not be replaced without the prior written consent of the State. Such consent shall not be unreasonably withheld or delayed provided an equally qualified replacement is offered. In the event that any State or Contractor personnel become unavailable due to resignation, illness, or other factors, excluding assignment to a project outside the contract, outside of the State's or Contractor's reasonable control, as the case may be, the State or the Contractor shall be responsible for providing an equally qualified replacement in time to avoid delays in completing tasks. The Contractor will make every reasonable attempt to assign the personnel listed in his proposal.

1.43 Governing Law

It is the responsibility of the Proposer to understand and comply with the requirements and prohibitions. Any potential conflicts shall be resolved with the Louisiana Board of Ethics prior to seeking a contract.

1.46 Corporate Requirements
If the Contractor is a corporation not incorporated under the laws of the State of Louisiana, the Contractor shall have obtained a certificate of authority pursuant to R. S. 12:301-302 from the Louisiana’s Secretary of State. If the Contractor is a for-profit corporation whose stock is not publicly traded, the Contractor shall ensure that a disclosure of ownership form has been properly filed with the Louisiana’s Secretary of State.

1.47 Prohibition of Discriminatory Boycotts of Israel
By submitting a response to this solicitation, the bidder or proposer certifies and agrees that the following information is correct: In preparing its response, the Proposer has considered all
proposals submitted from qualified, potential subcontractors and suppliers, and has not, in the solicitation, selection, or commercial treatment of any subcontractor or supplier, refused to transact or terminated business activities, or taken other actions intended to limit commercial relations, with a person or entity that is engaging in commercial transactions in Israel or Israeli-controlled territories, with the specific intent to accomplish a boycott or divestment of Israel. Proposer also has not retaliated against any person or other entity for reporting such refusal, termination, or commercially limiting actions. The State reserves the right to reject the response of the Proposer if this certification is subsequently determined to be false, and to terminate any contract awarded based on such a false response.

1.48 Duty To Defend

Upon notice of any claim, demand, suit, or cause of action against the State, alleged to arise out of or be related to this Contract, Contractor shall investigate, handle, respond to, provide defense for, and defend at its sole expense, even if the claim, demand, suit, or cause of action is groundless, false, or fraudulent. R.S. 42:1267(B)(3) and the State of Louisiana’s Information Security Policy, if the Contractor, any of its employees, agents, or subcontractors will have access to State government information technology assets, the Contractor’s employees, agents, or subcontractors with such access must complete cybersecurity training annually, and the Contractor must present evidence of such compliance annually and upon request. The Contractor may use the cybersecurity training course offered by the Louisiana Department of State Civil Service without additional cost or may use any alternate course approved in writing by the Office of Technology Services.

The Contractor shall provide all primary staff, support staff, and specialists necessary to plan, perform, supervise, and deliver the required work. The Contractor shall furnish all labor, equipment, and supplies necessary to perform the services required by each task order. The Contractor will provide an estimated cost for each task based on a scope of services provided by the CPRA Contract Monitor. For each assigned task, the Contractor shall submit an estimated time schedule, including project initiation and completion estimates, to the CPRA Contract Monitor for review and coordination with other project implementation elements.

Contractor shall provide services associated with the following categories of work which include, but are not limited to:

A. Data Analysis and Management

Tasks associated with this category shall include, but shall not be limited to, obtaining, assembling, and organizing data from a variety of sources; reviewing data, quality assurance/quality control; analyzing data; oil spill monitoring and analysis; designing and managing databases and web-based data visualization applications; developing conclusions and making recommendations based on analyses; performing spatial analysis, assembling aerial photography and satellite imagery operating geographic information systems, and conducting remote sensing activities applicable to the protection and restoration program.

B. Environmental, Biological, Geological and Infrastructure Surveys

Tasks associated with this category shall include, but shall not be limited to, various types of environmental, biological, geological and infrastructure/asset surveys; using traditional and new techniques such as drone surveys; collecting data, or aerial photography or remote sensing applications for oyster resource, habitat, vegetation, sedimentological, geological resources, water quality, isotope, cultural resources, natural resources damage assessment, conservation servitude monitoring, and structure surveys of existing infrastructure/assets.

C. Environmental Characterization, Compliance, and HTRW

Tasks associated with this category shall include, but shall not be limited to, providing Environmental Site Assessments (ESA)/characterizations for a wide variety of coastal restoration and protection projects to perform intrusive studies where physical environmental samples are collected and analyzed to characterize the type, distribution, and extent of hazardous substances in the environment. These tasks place an emphasis on technical expertise in all phases of environmental management; chemical sampling;
resource and regulatory agency coordination; investigation, planning and design for cleanup of hazardous, toxic, and radiological wastes (HTRW), debris, and other environmental contaminants; Remedial Investigations/Feasibility Studies (RI/FS); Risk Based Corrective Action (RBCA) investigations and remedial actions such as the Louisiana Risk Evaluation/Corrective Action Program (RECAP); sampling groundwater, surface soil, subsurface soil, and surface water sampling; analytical testing of water quality for parameters such as Chlorophyll a, nutrients (N, P, Si), total suspended solids; remedial design and remedial contractor oversight and habitat condition and composition characterization. Environmental models will be used to estimate the environmental response to various parameters such as hydrology, salinity, and sediment movement. Risk models will be used to assess how changes to the coastal environment could lead to increased risk and damage from storm surge to coastal populations and assets. Models will be particularly useful to integrate environmental functions with engineering designs; as well as establish ecosystem responses, assess water and sediment needs, and develop protection and restoration project benefits assessments.

E. **Environmental Studies and Reports**

</tbody>
</table>

The proposal will be evaluated using the material and substantiating evidence presented in the proposal, not on the basis of what may be inferred.

Proposer must receive a minimum score of 31.5 points (50%) of the total available points in the technical categories of Company Background and Experience, Proposed Staff Qualifications, and Approach and Methodology to be considered responsive to the RFP. **Proposals not meeting the minimum score shall be rejected and not proceed to further evaluation on Cost or Hudson/Veteran Program.**

Proposals meeting the minimum score for the technical categories, will be combined with the Cost and Hudson/Veteran Program to determine the overall score.

The Proposer(s) with the highest overall score will be recommended for award.
3.1 Cost Evaluation

For cost evaluation purposes, the labor category hourly rates provided in Attachment II, Required Rate Schedule, will be averaged. The Proposer with the lowest rate schedule average (LRSA) will receive 25 points. All other proposals will be rated by multiplying the maximum possible points (25) by a fraction that consists of the lowest rate schedule average (LRSA) as numerator and the rate schedule average of the Proposer being evaluated (PRSA) as the denominator.

\[ CCS = \frac{LRSA}{PRSA} \times 25 \]

Where:
- CCS = Computed cost score (points) for Proposer being evaluated
- LRSA = Lowest rate schedule average
- PRSA = Rate schedule average of Proposer being evaluated

3.2 Veteran-Owned and Service-Connected Disabled Veterans-Owned Small Entrepreneurships (Veteran Initiative) and Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) Programs Participation

A. Twelve percent (12%) of the total evaluation points in this RFP are reserved for Proposers who are certified small entrepreneurships, or who will engage the participation of one or more certified small entrepreneurships as subcontractors. Reserved points shall be added to the applicable Proposers’ evaluation score as follows:

B. Proposer Status and Allotment of Reserved Points

   i. If the Proposer is a certified Veterans Initiative small entrepreneurship, the Proposer shall receive points equal to twelve percent (12%) of the total evaluation points in this RFP.
   ii. If the Proposer is a certified Hudson Initiative small entrepreneurship, the Proposer shall receive points equal to ten percent (10%) of the total evaluation points in this RFP.
   iii. If the Proposer demonstrates its intent to use certified small entrepreneurship(s) in the performance of contract work resulting from this solicitation, the Proposer shall receive points equal to the net percentage of contract work which is projected to be performed by or through certified small entrepreneurship subcontractors, multiplied by the appropriate number of evaluation points.
   iv. The total number of points awarded pursuant to this Section shall not exceed twelve percent (12%) of the total number of evaluation points in this RFP.

If the Proposer is a certified Veterans Initiative or Hudson Initiative small entrepreneurship, the Proposer must note this in its proposal in order to receive the full amount of applicable reserved points.

If the Proposer is not a certified small entrepreneurship, but has engaged one (1) or more Veterans Initiative or Hudson Initiative certified small entrepreneurship(s) to participate as subcontractors, the Proposer shall provide the following information for each certified small entrepreneurship subcontractor in order to obtain any applicable Veterans Initiative or Hudson Initiative points:
i. Subcontractor’s name;
ii. Subcontractor’s Veterans Initiative and/or the Hudson Initiative certification;
iii. A detailed description of the work to be performed; and
iv. The anticipated dollar value of the subcontract for the three-year contract term based on a $3,000,000.00 estimated contract value.

Note – it is not mandatory to have a Veterans Initiative or Hudson Initiative certified small entrepreneurship subcontractor. However, it is mandatory to include this information in order to receive any allotted points when applicable.

If multiple Veterans Initiative or Hudson Initiative subcontractors will be used, the above required information should be listed for each subcontractor. The Proposer should provide a sufficiently detailed description of each subcontractor’s work so the Agency is able to determine if there is duplication or overlap, or if the subcontractor’s services constitute a distinct scope of work from each other subcontractor(s).
PART 4: PERFORMANCE STANDARDS

4.1 Performance Requirements
As required by Part 2, Scope of Services.

4.2 Performance Measurement/Evaluation/Monitoring Plan
The performance of the contract will be measured by the State Project Manager, authorized on behalf of the State, to evaluate the contractor’s performance against the criteria in the Scope of Services.

The submission of satisfactory Monthly Monitoring Reports is required. Performance measures for this contract shall include Contractor’s timely and successful completion, submission, and performance of any work product being sought and provided through this agreement, consistent with the provisions, goals and objectives of this contract.

4.3 Veteran and Hudson Initiative Programs Reporting Requirements

During the term of the contract and at expiration, the Contractor will be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor participation and the dollar amount of each.

If a contract is awarded to a Proposer who proposed a good faith subcontracting plan, the using agency, the Louisiana Department of Economic Development (LED), or the Office of State Procurement (OSP) may audit Contractor to determine whether Contractor has complied in good faith with its subcontracting plan. The Contractor must be able to provide supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the using agency, LED, or the OSP Director that the Contractor did not in fact perform in good faith its subcontracting plan, the contract award or the existing contract may be terminated.

D. In order to make all CPRA Contract deliverables consistent, the “Recommended Citation” on any final Contract deliverables, documents, or reports shall use the contracted company name and not individuals as the author. If the respective company prefers, they can add a section entitled “Contributing Authors” or “Acknowledgements” to more explicitly list or give credit to the individual authors who have worked on the project/study.

For work performed under the RESTORE Act, the Federal Government, including the RESTORE Council, may also retain certain rights in the work as provided in Section E.07 of the RESTORE Council’s Financial Assistance Standard Terms and Conditions or in Treasury’s RESTORE Act Standard Terms and Conditions and Program-Specific Terms and Conditions, as applicable.

All financial, statistical, personal, technical and other data and information relating to the State's operation which are designated confidential by the State and made available to the contractor in order to carry out this contract, or which become available to the contractor in carrying out this contract, shall be protected by the contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to the State. The identification of all such confidential data and information as well as the State's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by the State in writing to the contractor. If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used, with the written consent of the State, to carry out the intent of this paragraph. The contractor shall not be required under the provisions of the paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the contractor's possession, is independently developed by the contractor outside the scope of the contract, or is rightfully obtained from third parties.

25. CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM

Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Contract.

27. **PROHIBITION OF DISCRIMINATORY BOYCOTTS OF ISRAEL**

In accordance with R.S. 39:1602.1, for any Contract for $100,000 or more and for any Contractor with five or more employees, the Contractor certifies that neither it nor its subcontractors are engaged in a boycott of Israel, and that the Contractor and any subcontractors shall, for the duration of this Contract, refrain from a boycott of Israel.

The State reserves the right to terminate this Contract if the Contractor, or any Subcontractor, engages in a boycott of Israel during the term of this Contract.

28. **DISADVANTAGED BUSINESS ENTERPRISES**

The Contractor agrees to ensure that Disadvantaged Business Enterprises (“DBEs”) have the maximum opportunity to participate in the performance of this Contract and any subcontracts for supplies, equipment, construction, or services that may be let. The Contractor shall include, in any subcontract, the provisions contained in this Contract. The Contractor shall submit requests for approval, accompanied by copies of proposed subcontracts, to the CPRA Project Manager. The Contractor further agrees to guarantee and be liable to CPRA for all services performed under any such subcontract.

Contractor certifies with its execution of this agreement that it is not suspended, debarred or ineligible from entering into Contracts with any department or agency of the Federal Government or of the State of Louisiana, or in receipt of notice of proposed debarment or suspension.

Contractor agrees to secure from any Contractor(s) and subcontractor(s) for the captioned project certification that such Contractor(s) and subcontractor(s) are not suspended, debarred or declared ineligible from entering into Contracts with any department or agency of the Federal Government or of the State of Louisiana, or in receipt of a notice of proposed debarment or suspension.

Contractor shall provide immediate notice to the CPRA in the event of it or its Contractor(s) or any subcontractor(s) being suspended, debarred or declared ineligible by any department or agency of the Federal Government or of the State of Louisiana, or upon receipt of a notice of a proposed debarment or suspension, either prior to or after execution of this agreement.

Upon receipt of notice of suspension, debarment, or declaration of ineligibility, and to terminate this Contract pursuant to the terms of the article in this agreement entitled TERMINATION FOR CAUSE, or take such other action it deems appropriate under this Contract.
32. **TERMINATION FOR CAUSE**

The CPRA may terminate this Contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the Contract; provided that the CPRA shall give the Contractor written notice specifying the Contractor’s failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of such failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the CPRA may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the CPRA to comply with the terms and conditions of this Contract; provided that the Contractor shall give the CPRA written notice specifying the CPRA’s failure and a reasonable opportunity for the CPRA to cure the defect.

Notwithstanding the above, the Contractor will not be relieved of liability to the CPRA for damages sustained by the CPRA by virtue of any breach of the Contract by the Contractor, and the CPRA may withhold any payments to the Contractor for the purpose of setoff until such time as the exact amount of damages due the CPRA from the Contractor is determined.

33. **TERMINATION FOR CONVENIENCE**

The CPRA may terminate the Contract at any time by giving thirty (30) days written notice to the Contractor. The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

34. **TERMINATION FOR NON-APPROPRIATION OF FUNDS**

The continuation of this Contract is contingent upon the appropriation of funds to fulfill the requirements of the Contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the Contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the Contract, the Contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

35. **REPORTING OF FRAUD, WASTE, ABUSE OR CRIMINAL ACTIVITY**

In accordance with 31 C.F.R. §34.803(a), any indication of fraud, waste, abuse, or potentially any criminal activity pertaining to the Grant Funds shall be reported to the U.S. Department of Treasury and the U.S. Treasury OIG. 36. **REMEDIES FOR DEFAULT**

Any claim or controversy arising out of this Contract shall be resolved by the provisions of LSA - R.S. 39:1672.2-1672.4.

For Tasks funded under the RESTORE Act, Contractor also acknowledges that any RESTORE Act funds not used in accordance with the terms and conditions of this Contract, local, state and federal law or conditions of a Federal award for the RESTORE Act funds, shall be reimbursed to the CPRA. CPRA shall also be entitled to any other remedies for noncompliance as provided in Section M of the RESTORE Council’s Financial Assistance Standard Terms and Conditions.

If Contractor or its consultant(s), contractor(s), and/or subcontractor(s) fail to comply with Federal statutes, regulations or the terms and conditions of a Federal award under the RESTORE Act, in addition to Termination for Cause or Termination for Convenience, the CPRA may take one or more of the following actions, as appropriate in the circumstances: (a) temporarily withhold cash payments pending correction of the deficiency by Contractor or its consultant(s), contractor(s), and/or subcontractor(s) or more severe enforcement action as necessary; (b) disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance; (c) wholly or partly suspend or terminate payment of the RESTORE Act funds; (d) recommend that suspension or debarment proceedings be initiated under 2 C.F.R. part 180 and Federal awarding agency regulations; (e) withhold further Federal awards for the project or program; or (f) take other remedies that may be legally
available. The Contractor shall be given a reasonable time in which to cure noncompliance. Any
dispute may be resolved in accordance with the procedure set forth in this Contract.

37. **DISPUTES**

Before any party to this Contract may bring suit in any court concerning any issue relating to this
Contract, such party must first seek in good faith to resolve the issue through negotiation or other
forms of non-binding alternative dispute resolution mutually acceptable to the parties. The
exclusive venue for any suit arising out of this Contract shall be in the Nineteenth Judicial District
Court for the Parish of East Baton Rouge, Louisiana.

38. **ANTI-LOBBying**

Contractor agrees not to use Contract proceeds to urge any elector to vote for or against any
candidate or proposition on an election ballot nor shall such funds be used to lobby for or against
any proposition or matter having the effect of law being considered by the Louisiana Legislature
or any local governing authority. This provision shall not prevent the normal dissemination of
factual information relative to a proposition on any election ballot or a proposition or matter
having the effect of law being considered by the Louisiana Legislature or any local governing
authority.

39. **SEVERABILITY**

If any term or condition of this Contract or the application thereof is held invalid, such
invalidity shall not affect other terms, conditions, or applications which can be given effect
without the invalid term, condition, or application; to this end the terms and conditions of this
Contract are declared severable.

40. **PROVISION REQUIRED BY LAW DEEMED INSERTED**

Each and every provision of law and clause required by law to be inserted in the Contract shall be
deemed to be inserted herein and the Contract shall be read and enforced as though it were
included herein, and if through mistake or otherwise any such provision is not inserted, or is not
correctly inserted, then upon the application of either Party the Contract shall forthwith be
amended to make such insertion or correction.

41. **AGREEMENT APPROVAL**

This Contract shall not be effective until it has been approved and signed by duly authorized
representatives of both parties and until it has been approved by the Division of Administration,
Office of State Procurement.

This Contract, (together with the Request for Proposals and addenda issued thereto by the State,
the proposal submitted by the Contractor in response to the State's Request for Proposals, and any
exhibits specifically incorporated herein by reference) constitutes the entire agreement between
the parties with respect to the subject matter.
This Contract shall, to the extent possible, be construed to give effect to all provisions contained therein: however, where provisions are in conflict, first priority shall be given to the provisions of the Contract, excluding the Request for Proposals and the Proposal; second priority shall be given to the provisions of the Request for Proposals and amendments thereto; and third priority shall be given to the provisions of the Proposal.

44. **DUTY TO DEFEND**

Upon notice of any claim, demand, suit, or cause of action against the State, alleged to arise out of or be related to this Contract, Contractor shall investigate, handle, respond to, provide defense for, and defend at its sole expense, even if the claim, demand, suit, or cause of action is groundless, false, or fraudulent. The State may, but is not required to, consult with or assist the Contractor, but this assistance shall not affect the Contractor’s obligations, duties, and responsibilities under this section. Contractor shall obtain the State’s written consent before entering into any settlement or dismissal.

45. **CYBERSECURITY TRAINING**

In accordance with La. R.S. 42:1267(B)(3) and the State of Louisiana’s Information Security Policy, if the Contractor, any of its employees, agents, or subcontractors will have access to State government information technology assets, the Contractor’s employees, agents, or subcontractors with such access must complete cybersecurity training annually, and the Contractor must present evidence of such compliance annually and upon request. APPENDIX E

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

A. Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

B. All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

D. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented
by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on
Public Building or Public Work Financed in Whole or in Part by Loans or Grants from
the United States”). The Act provides that each contractor or subrecipient must be
prohibited from inducing, by any means, any person employed in the construction,
completion, or repair of public work, to give up any part of the compensation to which
he or she is otherwise entitled. The non-Federal entity must report all suspected or
reported violations to the Federal awarding agency.

applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that
involve the employment of mechanics or laborers must include a provision for
compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor
regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be
required to compute the wages of every mechanic and laborer on the basis of a standard
work week of 40 hours. Work in excess of the standard work week is permissible
provided that the worker is compensated at a rate of not less than one and a half times
the basic rate of pay for all hours worked in excess of 40 hours in the work week. The
requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no
laborer or mechanic must be required to work in surroundings or under working
conditions which are unsanitary, hazardous or dangerous. These requirements do not
apply to the purchases of supplies or materials or articles ordinarily available on the
open market, or contracts for transportation or transmission of intelligence.

F. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets
the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or
subrecipient wishes to enter into a contract with a small business firm or nonprofit
organization regarding the substitution of parties, assignment or performance of
experimental, developmental, or research work under that “funding agreement,” the
recipient or subrecipient must comply with the requirements of 37 CFR Part 401,
“Rights to Inventions Made by Nonprofit Organizations and Small Business Firms
Under Government Grants, Contracts and Cooperative Agreements,” and any
implementing regulations issued by the awarding agency.

G. Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act
(33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of
$150,000 must contain a provision that requires the non-Federal award to agree to
comply with all applicable standards, orders or regulations issued pursuant to the Clean
Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as
amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding
agency and the Regional Office of the Environmental Protection Agency (EPA).

H. Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award
(see 2 CFR 180.220) must not be made to parties listed on the governmentwide

APPENDIX E – PDF ATTACHMENT IN LAGOV ATTACHMENT IV: ELECTRONIC VENDOR PAYMENT SOLUTION

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of $5,000 and under, and where feasible, over $5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The LaCarte Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:
- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting at DOA-OSRAP-EFT@la.gov.

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
