

Conservation and Restoration Partnership Fund

2

- This year the Conservation and Restoration Partnership Fund has dedicated \$1m to provide matching funds for projects aimed at coastal conservation and restoration. The State will use this funding to further leverage its funds to achieve our common coastal restoration goals.

Conservation and Restoration Partnership Fund

3

- With six projects selected this year the State has partnered with non-profits, businesses, land owners, and local governments on 37 projects since 2008.
- To date CPRA has awarded more than \$11.6m and our partners have provided more than \$15.5m in match providing for more than \$27m of on-the-ground restoration and conservation.
