1.1 Purpose
The Coastal Protection and Restoration Authority (CPRA) hereby invites Proposers to submit a Statement of Interest and Qualifications (SIQ) for surveying services as described in the Scope of Services (Enclosure 1).

1.2 Term of Contract
The proposed contract and rate schedule will be negotiated with the Proposer(s) selected by the CPRA. The term of the Contract will begin on January 1, 2023 and will end on December 31, 2025. The CPRA’s Professional Services Contract will be used for this contract (Enclosure 2).

1.3 SIQ Submittal and Schedule
Proposers electing to submit a SIQ as a prime contractor cannot be listed as a subcontractor on another Proposer’s SIQ. Firms not submitting as a prime contractor are allowed to be listed as a subcontractor on as many SIQs as they deem appropriate.

Should Proposers wish to respond to this request for an SIQ, there are two options for submittal:

SIQ’s must be delivered to CPRA no later than 3:00 p.m., July 20, 2022, and must be addressed to the following:

Option 1: Submit one signed original, by an authorized representative of the prime firm and five (5) additional paper copies of the SIQ, along with a digital copy of the SIQ in .pdf format on a USB flash drive. Elaborate SIQs are neither required nor desired. The CPRA prefers a simple presentation and discourages extensive use of artistic designs, use of hard binders, etc.

Included in the Proposer’s SIQ should be:

1. An executive summary stating the firms’ particular expertise, resources, and advantages they will bring to the CPRA. Limit this summary to two (2) pages;

2. Standard Form: CPRA 24-102 (Rev. 5/2022) which is attached (Enclosure 4). In the event the SIQ contains subcontractors, the particular type of service the subcontractor will perform together with the relevant experience should be included.

3. Certification Statement: The Proposer must sign and submit the Certification Statement shown in Enclosure 5.

4. Subcontractors: Persons who are not full-time employees of the Proposer shall be considered subcontractors. All subcontractors necessary to conduct the work should be identified as specified in Section 1.14 “Use of Subcontractors”, including the projected percentage of the scope of services to be accomplished by each subcontractor. For each subcontractor, the Proposer should include letters of agreement to undertake their portion of the proposed work.

Included in the Proposer’s SIQ must be a separate SF CPRA 24-102 form completed by each subcontractor. Company names listed on the SF CPRA 24-102 must precisely match the names filed with the Louisiana Secretary of State, Corporation Division, and the Louisiana State Board of Registration for Professional Engineers and Land Surveyors. Resumes or any organizational chart included in the SF 24-102 shall clearly state the location (city and state) of the office in which the staff member resides. Any potential contractor failing to submit any of the information required on the SF CPRA 24-102 will be considered non-responsive.

Any questions regarding this Request for Statement of Interest and Qualification should be submitted by email to Ms. Gloria Tigner at CPRAcontracts@la.gov and received by 3:00 p.m., June 24, 2022. Official responses to all questions submitted by potential proposers will be posted at http://coastal.la.gov/resources/rfps-rsiqs-contracts/contracts-and-grants/.

Proposers emailing their proposals should allow sufficient time to ensure successful email of their proposal by the time specified. Proposers are strongly encouraged to upload their proposal well in advance of the deadline for receipt of electronic proposals as internet connectivity and file size will affect proposal submission upload timeframes.

The State assumes no liability for assuring accurate/complete emails. The responsibility solely lies with each Proposer to ensure their proposal is emailed and received prior to the deadline for submission. Corrupted files and incomplete submissions will not be considered.

CPRA will not be responsible for delayed or lost mail received after the deadline.

Any materials (hard copies or emails) received after the deadline will be deemed non-responsive and will be returned unopened.

If a Proposer is not a certified small entrepreneurship as described herein, but plans to use certified small entrepreneurship(s), Proposer shall include in their proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the estimated dollar value or percentage of each subcontract.

During the term of the contract and at expiration, the Contractor will also be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor or distributor participation and the dollar amount of each.

In RSIQ’s requiring the compliance of a good faith subcontracting plan, the State may require Proposers to submit information on their business relationships and arrangements with certified LaVet or Hudson Initiative subcontractors at the time of SIQ review. Agreements between a Proposer and a certified LaVet or Hudson Initiative subcontractor in which the certified LaVet or Hudson Initiative subcontractor promises not to provide subcontracting quotations or services to other Proposers shall be prohibited.

If performing its evaluation of SIQs, the State reserves the right to require a non-certified Proposer to provide documentation and information supporting a good faith subcontracting plan. Such proof may include contracts between Proposer and certified Veteran Initiative and/or Hudson Initiative subcontractor(s).

If a Contract is awarded to a Proposer who proposed a good faith subcontracting plan, the CPRA, the Louisiana Department of Economic Development (LED), or the Office of State Procurement (OSP) may audit Contractor to determine whether Contractor has complied in good faith with its subcontracting plan. The Contractor must be able to provide supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the CPRA, LED, or the OSP Director that the Contractor did not in fact perform in good faith its subcontracting plan, the contract award or the existing contract may be terminated.
