RE: RSIQ NO. 2503-22-02
“General Engineering Services for Coastal Protection and Restoration Authority Projects”

PROPOSAL DUE DATE: JULY 20, 2022 @ 3:00PM

ADDENDUM I QUESTIONS AND RESPONSES

1.	Q.	Regarding Question 9 of the Standard Form 24-102, is an IDIQ with multiple task orders considered a single project?
	A.	Yes.
2.	Q.	Firm A wishes to include Firm C as a sub-consultant in its SIQ for General Engineering Services. Firm B wishes to submit an SIQ as a prime consultant for General Engineering Services. Firm C is a wholly-owned, independently-operated subsidiary of Firm B. Firm B will NOT include Firm C as a sub-consultant in its SIQ. Do the provisions of paragraph 1.3 of the RSIQ permit this arrangement?
	A.	The arrangement as described would be permissible.
3.	Q.	Previous CPRA SF 24-102 instructions state that resumes are to be shown in alphabetical order by last name. Is this still the proper procedure?
	A.	There is no requirement that resumes be presented in alphabetical order.
4.	Q.	Is the Certification Statement required for both the Prime and the Subconsultants?
	A.	Only primes are required to submit the Certification Statement.
