EMPLOYEE EXIT NOTES

1. Leave:

- a) **Resignation** - Employees may be paid up to 300 hours of accrued annual leave. Sick leave is not paid out and will remain on the books for up to 5 years from the date of separation.

If you are paid for any annual leave, you must stay out of state service for the number of hours for which you are paid or repay the Department which reemploys you the value of such annual leave less the time you were out of state service unless you are returning to work for the first time after retirement or you are being rehired into a job appointment or non-leave earning position.

- b) **Retirement** – Leave payouts are the same as above. Any remaining leave after payout can be converted to retirement service or paid in lump sum to the employee. Human resources will submit the Form 07-01 Certification of Unused Annual and Sick Leave to LASERS.
- c) **Transfer** – If the employee is transferring to another state agency in probational or permanent status in the classified service or is reemployed in the unclassified service without a break in service of one or more working days, all of the employee's annual and sick leave shall be transferred to the employing agency.
- d) **Compensatory Leave** - All unused time and one-half compensatory leave earned by non-exempt employees will be paid out in accordance with the Fair Labor Standards Act. All unused compensatory leave earned by exempt employees may be paid subject to CPRA policy, fund availability, and approval of the Executive Director or shall be cancelled upon separation or transfer. Such leave shall not be re-credited upon reemployment in that or any other department.

2. Benefits:

- a) **Retirement** – If you would like to refund your LASERS retirement account, forms are located under Forms, Member Forms at www.lasersonline.org.
