The background features a teal-colored map of Louisiana on the left side. On the right side, there is a faint, light-blue line drawing of coastal infrastructure, including a large crane or bridge structure extending over water, and a building with a smokestack. The overall theme is coastal and infrastructure-related.

An aerial photograph of a coastal construction site. In the foreground, a large body of water is filled with green vegetation. A dirt path leads from the water towards the background. On the left, a barge with an excavator is positioned near a sandy area where several workers are standing. Another excavator is visible further back on the right. The background shows a wide expanse of water under a blue sky with scattered clouds.
