# STORM SURGE RISK REDUCTION FOR SECTION E-NORTH

Lafourche Parish

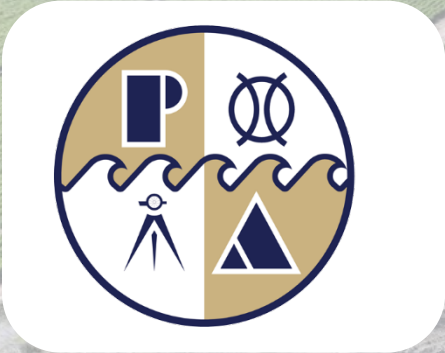

An aerial photograph showing a large, rectangular agricultural field that has been partially flooded. The water is a murky, greyish-brown color, covering a significant portion of the field. The surrounding area includes other fields, some with trees, and a dirt road in the foreground. The sky is clear and blue. The word "VIDEO" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.
