COASTAL MASTER PLAN

NEW PROJECT DEVELOPMENT WORKSHOPS

We want to hear from you!

Join us at upcoming workshops to develop ideas for projects to be considered for Louisiana's 2029 Coastal Master Plan!

WHAT	<ul style="list-style-type: none"> • Learn about the state's Coastal Master Plan and how to submit your project ideas for possible inclusion. • Discuss coastal land loss and flood risk challenges you see, how they might change over the next 50 years, and actions we can take. • Get input from experts on your project ideas.
WHO	Join us if you want to learn about our process and planning tools, and work with experts to turn your project idea into a more competitive master plan submission.
WHY	Your voice and ideas matter in shaping the next edition of Louisiana's Coastal Master Plan. Get involved early and be a part of the solution to help address storm surge-based flood risk and land loss in coastal Louisiana.
